Getting Started with the CMS – New UCR Sites

- Submit the online form for Requesting CMS access. Be sure to fill out all items completely and accurately.

- Receive notification from C&C that CMS accounts as well as the new site domain have been created. A search engine blocker will be placed on the site until the department deems it ready for the public view.

- Department SAA’s will add user accounts to the site.

- C&C will contact department representatives to schedule a CMS training session.

- After the training sessions, users will be given access to the site.

- One user has placed all their content in, contact C&C to remove the search engine blocking, making the site accessible to everyone on the internet!
